Dear Parent/Guardian of

On the home language survey, a language other than English was indicated. As per federal guidelines, your child was assessed and found eligible to participate in the English as a Second Language (ESL) Program. The ESL Program is designed to strengthen a student’s English language skills and provide support, if needed, so that he/she can be successful in all subjects at school.

If you have any questions about the ESL Program please feel free to contact the school principal or the ESL coordinator for further information.

Sincerely,

ESL Coordinator
